Alexandria, VA 22313-1450

REQUEST FOR APPROVAL TO AMEND THE DRAWINGS

Sir:

Applicant respectfully requests the Examiner's permission to amend the drawings as shown in red ink in the appended informal drawings and as shown in the attached corrected formal drawings, in which:

1) in Figures 10 and 11, reference characters "21a" associated with an opening in element 21 are changed to reference characters --21e--, because the specification refers to this opening by reference characters --21e--,

2) in Figures 20-22, reference characters “13e” have been changed to reference characters --13z--, because the specification indicates that in Figure 7 these reference characters denote a joggle, while in Figures 20-22, these reference characters denote a support hole, and therefore, by changing these reference characters in Figures 20-22, the application avoids the use of the same reference characters to denote different elements, and

3) in Figure 27, reference characters “20a” (the rightmost occurrence) have been changed to --20e--, because the specification indicates that the bearing associated with coupling 106a is identified by reference characters “20e” rather than “20a”.

FIGURE 10

Change reference numeral “21a” to --21e--.

FIGURE 11

Change reference numeral “21a” to --21e--.

FIGURE 20

Change reference numeral “13e” to --13z--.

FIGURE 21

Change reference numeral “13e” to --13z--.

SUBMISSION OF CORRECTED FORMAL DRAWINGS

Sir:

Attached are five sheets of formal drawings to be substituted for the corresponding drawing sheets presently on file in the above-identified application to correct the drawings as approved by the Examiner in the Notice of Allowability of April 22, 2003.

Favorable consideration hereof is earnestly solicited.

Applicant's undersigned attorney may be reached in our Washington office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

Attorney for Applicant
